TECHNICAL INFORMATION

GLOBEWEIGH are experts at identifying strategies to maximise production efficiency and manage compliance in the fishing industry, having worked with many of Ireland's leading fish Co-Op's and fish processors.

FROM SEA TO SHORE

Our expertise covers a catches journey from sea, to shore, to the supermarket.

ACCURATE WEIGHING

Onboard weighing using a range of specialist marine scales, allows products to be weighed and labelled accurately in even the roughest of seas.

COMPLETE TRACEABILITY

Addresses the requirements of the frozen at sea prawn industry, as well as the white fish industry, providing complete traceability and compliance with regulations.

TRACEABLE →

KEY FEATURES of the C.R.A.F.T.

- Multi language user format.
- Multi language label printing (up to 3 languages per label).
- Inner & outer case labelling in multiple formats.
- Advance shipping notice (ASN) for file transfer to landing.
- Pallet labelling to simplify catch landing and factory intake.
- Can be linked to scale for catch weight for white fish.
- Quality control batch monitoring.
- Option to scan barcodes for transfer to factory.
- End of day and end of catch reporting.

TWO VERSIONS OF CRAFT SOFTWARE ARE AVAILABLE

- CRAFT variable weight labelling software encased in a robust 316-grade stainless steel enclosure for variable weight labelling in the hold.
- CRAFT fixed weight boxes where the system can be located in the wheelhouse.

TOTAL SOLUTIONS BY Globeweigh

Complete weighing solutions from weighbridges to bench scales

Globeweigh's experienced engineers provide service and support for a comprehensive range of weighing equipment, from laboratory balances to weighbridges. Our proactive maintenance approach helps identify and resolve potential issues before they impact operations, maximising equipment uptime.

We support automatic and non-automatic weighing equipment and instrumentation, including **weighbridges, bench and floor scales, counting scales, weigh price labellers, pallet and forklift truck scales, crane scales, laboratory scales, hopper scales, tank and silo weighing systems, mechanical scales, axle weighers, and checkweighers.**
