## OHAUS Defender TM 3000 Series :

This economy line of dry or wet-use indicators, bases and bench scales is ideal for general weighing and simple counting applications in production, packaging, warehouse, inventory, shipping and receiving areas. Used in both bench and floor scale configurations, they feature a simple yet rugged tubular-frame base design and indicators with positive feedback keys, high-contrast backlit LCD display, built-in rechargeable battery operation and flexible mounting capabilities.

### OUR RANGE

#### BENCH SCALES

Robust, hygienic weighing solutions designed for everyday industrial and food production environments.

#### COUNTING SCALES

Fast, accurate counting systems that improve inventory control and production efficiency.

#### PRINTERS

- Desktop Printers
- Industrial Printers
- Mobile Printers
- Desktop Printers

We offer a wide range of printers and suppliers including Zebra and Intermec.

#### PALLET TRUCK SCALES

Combine transport and weighing in one operation to save time and increase productivity.

#### CRANE SCALES

Safe and dependable overhead weighing for heavy-duty lifting and material handling.

#### LABORATORY SCALES

Precision weighing instruments delivering exceptional accuracy for laboratory and quality assurance applications.

# SOLUTIONS

 Trusted industrial weighing solutions for over **30 YEARS**

## FLOOR SCALES

All floor scales are available in various sizes and capacities. They all come in mild steel painted and stainless steel finished and are available ATEX rated.

### Floor Scales Include

- Surface Mounted scales
- Easy Lift scales
- Drive Through scales
- Pit Scale scales

## CALIBRATION SERVICES

Professional calibration and verification services for weighing equipment throughout Ireland.

### Services Include

- Weights & Measures
- Approved NSAI Verification
- On-site Calibration
- Full Traceability
- Fast Turnaround
- Preventative Maintenance

## ONE PARTNER. COMPLETE SOLUTIONS.

From the right equipment to expert calibration and after sales support, GlobeWEIGH delivers everything you need for accurate and reliable weighing.

**QUALITY  
PRODUCTS**

**EXPERT  
SERVICE**

**PEACE  
OF MIND**

## TRAFFIC LIGHT CHECKWEIGHERS

Designed for fast product checking with clear visual pass/fail indication.

### Features

- ➔ Three Display System
- ➔ Upper & Lower Tolerance
- ➔ Product Memory
- ➔ Stainless Steel Construction
- ➔ Fast Product Changeovers

## INDICATORS

Reliable industrial weighing indicators suitable for bench scales, floor scales and process weighing applications.

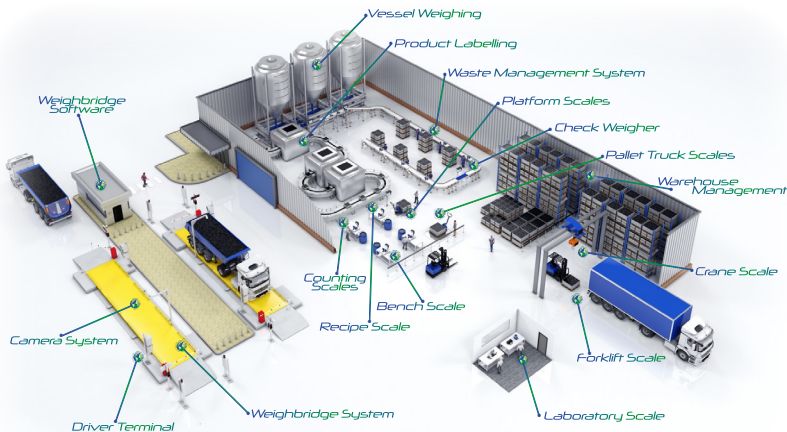

### Features

- ➔ OIML Approved
- ➔ Rechargeable Battery
- ➔ Easy Read Display
- ➔ ABS & Stainless Steel Options
- Robust Industrial Design
